Best Practices: Responsive Design, Cross-Browser Compatibility, SEO Optimization, Performance Tuning

PROFESSIONAL EXPERIENCE

Digital Gravity Pvt. Ltd | Karachi, Pakistan

Senior Frontend Developer | Present (4 yrs 3 months)

- Hands-on experience with React.js and Next.js, developing scalable web applications; streamlined UI development by integrating Figma designs with an MCP server, reducing implementation time and improving design-to-code consistency.
- Improved code quality and maintainability by enforcing best practices and resolving complex user issues.
- Mentored engineers and contributed to product and architectural decisions, supporting team growth and shaping the roadmap.

Olive Digital Pvt. Ltd | Karachi, Pakistan

Frontend Developer | 1 yr 6 months

- Built and maintained responsive, pixel-perfect landing pages and marketing websites, ensuring 100% cross-browser compatibility.
- Optimized front-end assets (images, CSS, JS) to reduce load times by an average of 1.5 seconds.

Eplanet Global | Karachi, Pakistan

Junior Frontend Developer | 9 months

- Contributed to the front-end development of a large internal CMS application.
- Improved front-end performance by refactoring legacy JavaScript and CSS, resulting in a cleaner and more maintainable codebase.
